Re: NC HOUSING ASSOCIATES # 200 CO. v. JIYOUNG CHOI
Docket # **LT6759-20**

Dear Sir/Madam:

This office represents the landlord in the above-captioned matter, which has not yet been scheduled for a hearing or settlement conference. No judgment has been entered.

Our client has advised that the tenant has vacated the premises and has given possession of the apartment back to the landlord. Therefore, there is no need to schedule a hearing. This letter is to serve as a request to dismiss this matter without prejudice.

Very truly yours,
FEINSTEIN RAISS KELIN BOOKER
